

PASS Visiting Elderly in Grace Nursing Home

16th Nov 2012, Professional and Social Services Association (PASS) has arranged a visiting to an Elderly Home ~ Grace Nursing Home at Kowloon Tong. The visiting was sponsored by Accredited Certification International Limited (ACI). We often visit elderly in nursing homes or other institutions.

Elderly are happy for our coming. Volunteers from ACI together with Staff of PASS played games with the elderly and sang songs, which remind them many pleasant memories and some elderly sang together with us. During the games and singing, we have spread the gifts to the elderly. The elderly enjoyed the games and the company of the volunteers for the whole afternoon. They hope that PASS could come again next time. At the end of the visiting, each elderly has been given a big package of gift, sponsored by ACI.

PASS is dedicated to bring happiness to the elderly, that is one of the important work carried out by us. Caring for the elderly is a very important issue, especially in Hong Kong for the population of elderly persons has increasing rapidly. To help the elderly live a better life not only is the responsibility of the government, but also need the whole society to join. As a social service association, PASS is making great effort to facilitate commercial companies to take their social responsibilities.
