

PASS visited the Elderly in Pine Care Elderly Centre

PASS has recently visited the elderly in Pine Care Elderly Centre under Pine Care Group located at Kwun Tong on 10 November 2010. This visit was sponsored by Accredited Certification International Limited (ACI) and Aero Speed Logistics Limited (ASLL).

PASS often visit the Elderly Home as we attached great importance to caring for aged. The elderly are very welcome to our visit. Staff of PASS and volunteers talked to the elderly and asked them questions to care about their living status. This time PASS has prepared many gifts for the elderly. The gifts are sponsored by the two companies mentioned above. Volunteers distributed the gifts to each elderly. Through the gifts, we expressed our sincere wishes of good health to the elderly. They are very happy with our visit and care, and they hoped us can come to see them again next time.

Caring for the elderly is a very important issue, especially in Hong Kong for the population of elderly persons has increasing rapidly. As a social service association, PASS is making great effort to facilitate commercial companies to take their social responsibilities. To help the elderly live a better life not only is the responsibility of the government, but also the whole society.
