

## PASS visited the Youths in New Life Psychiatric Rehabilitation Association

Lately in Nov 2012, PASS has visited the youths in a service unit under New Life Psychiatric Rehabilitation Association. The service unit, named Chuk Yuen Integrated Work Centre, is located in Chuk Yuen (North) Estate, Kowloon. The visit and gifts was generously sponsored by Aero Speed Logistics Limited (ASLL).

PASS attached great importance to caring for disadvantaged youths and elderly. We have spent a happy afternoon with the youths in Chuk Yuen Integrated Work Centre. They are very happy for our coming. Staff of PASS and volunteers has prepared games to play with the youths and they enjoyed the game a lot. Most of the youths were active in the game and well interacted with others. Besides playing games, PASS has also prepared many gifts, and distributed to each youth to express our best wishes to them. They are very happy and impressed by our visit, and they hoped us can come to see them again next time.

PASS believes that given adequate support and proper help, disadvantaged people can also find their way to reach their full potentials and leading fruitful lives. To help the disadvantaged people enhance their quality of living is not only the responsibility of the government, but also the whole society. As a social service association, PASS is making great effort to facilitate commercial companies to take up their social responsibilities.
